

Coastal Podiatry Associates

April is Foot Health Awareness Month!

There are plenty of places to pinch your pennies, but health care isn't one of them. Pain or other problems in your feet and ankles can have serious implications for your overall health, particularly if you have diabetes, vascular disease, or other chronic conditions.

[Come see us](#) for specialized foot and ankle care, with the right diagnosis and the right treatment, right from the start.

843-449-3668

Did you know?

Your feet must last a lifetime, and most Americans log an amazing 75,000 miles on their feet by the time they reach age 50. Regular foot care can make sure your feet are up to the task. With proper detection, intervention, and care, most foot and ankle problems can be lessened or prevented.

[**Explore ways we can help!**](#)

Hope to see you there!

FOOT & ANKLE CARE
DISCUSSION

THURSDAY, APRIL 25TH
6PM

@ BLACK DOG RUNNING
1600 FARROW PKWY
MYRTLE BEACH

with Dr. Tarak Amin
of Coastal Podiatry
Associates

We're here to help you keep your feet feeling their best.

Each doctor with Coastal Podiatry Associates specializes in state-of-the-art foot and ankle care and is Board-Certified by the American Board of Foot and Ankle Surgery. Together they have decades of combined experience and are trained in advanced surgical and nonsurgical podiatric solutions.

Their goal is to provide you with gentle, optimum quality foot care at affordable prices and to deliver their care in a compassionate and conservative manner.

Personalized treatment programs are developed to satisfy individual foot care needs.

We look forward to seeing you at any of our five convenient locations in Myrtle Beach, Conway, Little River, Surfside Beach, or International Drive*.

***Our Carolina Forest office has moved to its new location:
[956 International Drive, Myrtle Beach \(next to Ocean Bay Elementary\)](#)**

All other locations remain the same.
